# VTPA Tractor Pull

## Wednesday, July 18, 2012

### Turlock Fairgrounds

Check-In From 2:00 to 4:00 PM

Pull Starts at 6:00 PM

VTPA along with MLM Motorsports will be hosting the Truck and Tractor Pull at the Turlock Fairgrounds on Wednesday, July 18, 2012. We will have 3 sleds in operation and will be showcasing the Modified Tractors and Super Farm Stock Tractors.

**For pick-up pullers, this will be a limited entry pull.** We will be allowing a maximum of 40 pick-ups to pull because of the time constraints placed on us by the fair management (we need to be done by 8:30 PM). To guarantee your spot to pull, please do the following:

1. Go to our website, [vtpapullers.org](http://vtpapullers.org), and download an entry form.
2. Fill out the form and return it with your hook fees (\$40) to:  
Dick Piersma, Secretary, VTPA  
1130 Edwards Dr.  
Turlock, CA 95380
3. To be guaranteed a spot, the form and hook fee must be postmarked by July 13, 2012.
4. You will get 2 free pit passes with your entry and additional pit passes will be available for \$20 each. **Extra pit passes will not be available after 4:00 PM! Also, individuals must be present to sign for a pit pass!**
5. You may fax your form in but your spot won't be guaranteed until the hook fees are received (postmarked by July 13).
6. Whatever spots are remaining will be filled on the day of the pull on a first come, first serve basis.

Thank-you in advance for your cooperation and we look forward to a great pull!
